Hey There! I'm Gwen Smith. I want to help you know and trust God more.

I keep things real around here. Most of us don't have time for fluff, so honest faith is what I'm all about. I won't pretend to speak from a platform of perfection... because I'm as imperfect as you are, and I struggle just like you do! And I'm pretty sure we want the same thing: the full, abundant life Jesus came to give us . . . in spite of our feelings, failures, frustrations and fears.

Those who know me best say I've never met a stranger. True story. I genuinely love people. And I love to laugh. Loudly.

As a wife, mom, sister, friend and working woman, I understand how challenging it can be to know and trust God in the messy middle of it all. Life, family, careers and faith are complicated. So in the heart of ministry I work hard to connect God's strength to your strains.

I do this in several ways... I speak at events. On my podcast, I interview incredible women who share practical and meaningful inspiration. I lead worship and perform concerts. I coach. I write books, devotions and songs. I post, pin and tweet on social media and am obsessed with the beauty of community. All to encourage and challenge you toward the heart of Jesus in His grace and truth.

And I'm a Bible girl. Every conversation we have will center around the Word because I believe, wholeheartedly, that the Bible is divinely inspired truth.

Please join us for a glorious day of laughter, enrichment and fellowship!
