KEYNOTE SPEAKER

Jennifer Shaw

Jennifer Shaw is a Telly Award winning speaker, author, singer, songwriter and five-time Top 40 Billboard artist. Her ministry has been featured by Focus on the Family, Insight for Living, FamilyLife Today, Autism Speaks, Joni and Friends, and many more. Her new book, Life Not Typical: How Special Needs Parenting Changed My Faith and My Song, has brought national attention to the issue of Sensory Processing Disorder.

After being classically trained as an opera singer at the prestigious Manhattan School of Music, Jennifer became a professor of music at Cedarville University before she felt led into her role as a contemporary worship leader. Her testimony includes tragedy and triumph, being an adoptive parent and also the parent of a special needs child, and losing her father to Lou Gehrig's disease. With the release of her fourth album, Someday, her songs offer hope in any circumstance and also reflect her recent experiences on the mission field in Asia, Africa, Central America and the UK.
