Stéphanie Rousselle is the founder of Gospel Spice Ministries. Her motto is, “God’s glory, our delight!” She thrives on Bible-centered inspirational writing and speaking, and dark chocolate. She knows herself too well to take herself seriously...

Born and raised in France, she has lived for her One over the last two decades on three continents, four countries and five cities through six professional roles. She is a wife, mom, podcaster, public speaker, Bible teacher, former women’s ministry director and strategy consultant. And she is 100% French.

She loves sharing nuances taken from the French and English languages and cultures to experience the New Testament from the inside out. She has quoted her favorite words more times than she can count, first to herself and her children, and then also in settings as diverse as Bible studies, conferences, podcasts and more: “There is nothing you can do for God to love you more; and there is nothing you can do for God to love you less.”

Her favorite verse and passion is Philippians 3:10 : “For my determined purpose is to know Christ, through the power of His resurrection and the fellowship in His suffering.”

Serving many thousands in 160+ countries on 6 continents.
