

2023 Knox Ladies Seminar

SATURDAY, NOVEMBER 11, 2023

Jennifer Hand

Jenn, (Executive Director and founder of Coming Alive Ministries), returned home after living overseas for two years as a missionary in a country where people worshiped idols and statues all around her.

She found herself traveling and speaking to churches about her experiences serving overseas. She began to notice church pews packed with people who said they knew the living God, but were living dead inside.

It is easy for us to find ourselves busy and bored. Checking our to-do list boxes, trying to have Pinterest perfect lives, squeezing in coffee with a friend, while trying to convince ourselves to wear something other than our favorite yoga pants when meeting with said friend. Meanwhile, in the midst of our mundane, we are trying to experience a meaningful relationship with Christ.

Coming Alive Ministries exists to provide an invitation to come alive and live alive in Christ in the midst of your everyday.
